**Re: A cash offer for your property at {{address}}**

Dear {{owner_name}},

My name is Alex Morgan, and I'm a local buyer here in {{city}}. I'm reaching out because I understand you may be considering what to do with the property at {{address}}, and I wanted to introduce a straightforward option.

Example Home Buyers LLC purchases homes directly, for cash, in as-is condition – no repairs, no cleanout, no realtor commissions, and no showings. We can move as quickly or as slowly as works for your timeline, and there's never any obligation to accept an offer.

If it would be helpful, I'd be glad to put together a no-cost, no-pressure cash offer for {{address}} so you have the numbers in hand whenever you're ready to think it over.

Feel free to call or email any time – I'm happy to answer questions with no sales pressure attached.

Warmly,

**Alex Morgan**
